

## A HISTORY OF EXCELLENCE

For over 30 years, MVA has been providing the highest quality of veterinary medicine — improving and enhancing the lives of our patients through a dedication to excellent service, exceptional skill, and extraordinary care. We are continuously evolving to provide patients with the most advanced treatment options at our 25,000 square foot hospital, complete with state-of-the-art diagnostic and therapeutic equipment. Our core focus is on specialty and emergency cases, allowing us to work in concert with your general practice veterinarian for a comprehensive approach to your pet's health.
