The Standard of
Veterinary Excellence

OUR FAMILY

Hickory Veterinary and Specialty Hospital was founded as a team of professionals committed to excellence in animal care. Now, as a third generation, family-owned hospital for over 75 years, we are proud to offer wellness, emergency and specialty services.

Our continued goal is to deliver the highest quality of veterinary medicine to our patients. Our team is sensitive to the concerns that each client brings to our hospital for their pet. We serve the needs of our clients and their pets with a highly qualified staff, state of the art equipment, 24-hour staffing, and ongoing support for our community.

OWNERS

Dr. William Kay, Jr. and Dr. Tiffany Kay

Will and Tiffany met at the University of Pennsylvania School of Veterinary Medicine where they both graduated in 2014. They have since worked in California where Will did his rotating internship at Veterinary Specialty Hospital in San Diego. They then spent three years in Mississippi where Will completed his residency in Neurology and Neurosurgery at Mississippi State University. They both worked in New Jersey for two years before officially becoming third generation owners of Hickory Veterinary and Specialty Hospital in February of 2020.
